

Footwear Size Guide

Heel heights are taken from centre back of heel (see diagram) and are only intended as an approximate guideline to assist you in choosing a suitable height of shoe.

1. Please note that this size chart is for guidance only. Please refer to exact measurements given (see note below) to ensure a good fit.

NOTE: An option to use: length of shoe 25.5cm – toe to heel; width is 9cm at the widest part of the foot
